

Commandes d'eMolecule

Souhaitez-vous commander vos
eMolecules sur le site **vwr.com** ?
Rendez-vous sur **www.vwr.com**

1 Étape 1

- Connectez-vous sur **vwr.com** et sélectionnez « Services => Portail de blocs de construction ».
- Si cette option n'est pas disponible, contactez-nous à l'adresse **webadmin.ch@vwr.com**.

Accueil > Services > The Building Blocks Portal

The Building Blocks Portal

Search, Source, and Order Compounds Quickly

Accelerate your discovery by **reducing** your search time and **streamlining** procurement process complexities with the **VWR Building Blocks Portal, powered by eMolecules**.

VWR's product and service solutions plus eMolecule's data and chemical sourcing expertise combine to deliver a streamlined search, source and order process for chemical building blocks so you can focus on your discovery.

- Access 650 000 compounds through www.vwr.com
- Sub-structure, similarity or exact search; or use an SD file, SMILES, chemical name, CAS number, MCFD number etc.
- Real time price and availability
- Rely on our expertise in DOT and DEA compliance
- Rigorous supplier validation for quality compounds and quick turnaround deliveries
- Click below to access this powerful search engine tool and add your requirements to your VWR shopping basket for all your lab supplies.

The VWR and eMolecules support team and online tracking system works in harmony to ensure that your order arrives on time and to your specifications.

How to Order

To take advantage of this enhanced functionality you will need to be logged in.

Please click Continue below and select the "Build Blocks Portal" link from the My Profile page.

By clicking continue, you agree to the [Terms of use](#).

Continue

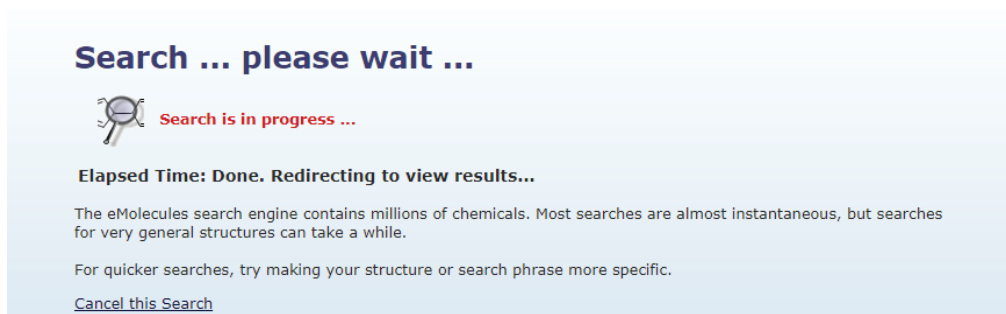

2 Étape 2

- Effectuez votre recherche par structure ou nom chimique.

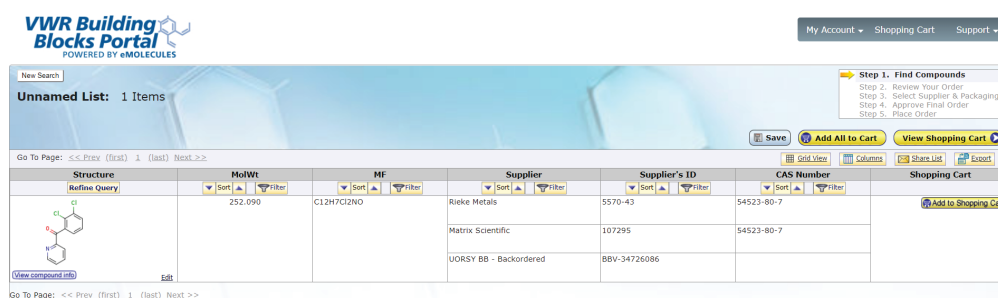

3 Étape 3

- Un message indiquant que votre recherche est en cours s'affiche.

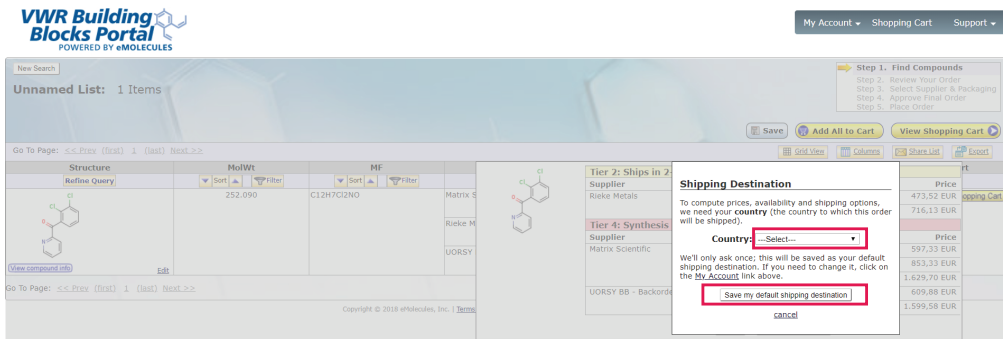

4 Étape 4

- Affichez les résultats sous forme de liste.
- Sélectionnez votre composant, puis cliquez sur « Ajouter au panier ».

5 Étape 5

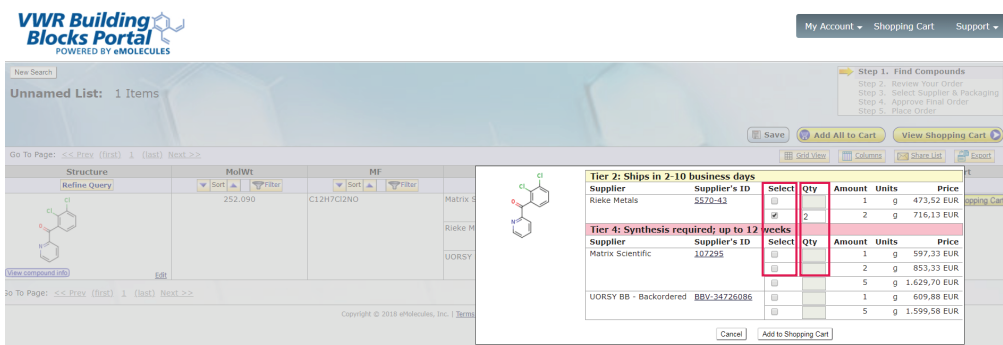

- Choisissez le pays de livraison, puis cliquez sur « Enregistrer mon adresse de destination par défaut ».

The screenshot shows the VWR Building Blocks Portal interface. A modal window titled "Shipping Destination" is open, prompting the user to select a country. The modal includes a dropdown menu for "Country" and a "Save my default shipping destination" button. The background shows a table with chemical structures and a sidebar with product tiers.

6 Étape 6

- Sélectionnez le fournisseur souhaité, ajoutez la quantité à la commande, puis cliquez sur « Ajouter au panier ».

The screenshot shows the VWR Building Blocks Portal interface. A modal window is open, displaying a table of products with columns for Supplier, Supplier's ID, Select, Qty, Amount, Units, and Price. The "Add to Shopping Cart" button is highlighted. The background shows a table with chemical structures and a sidebar with product tiers.

7 Étape 7

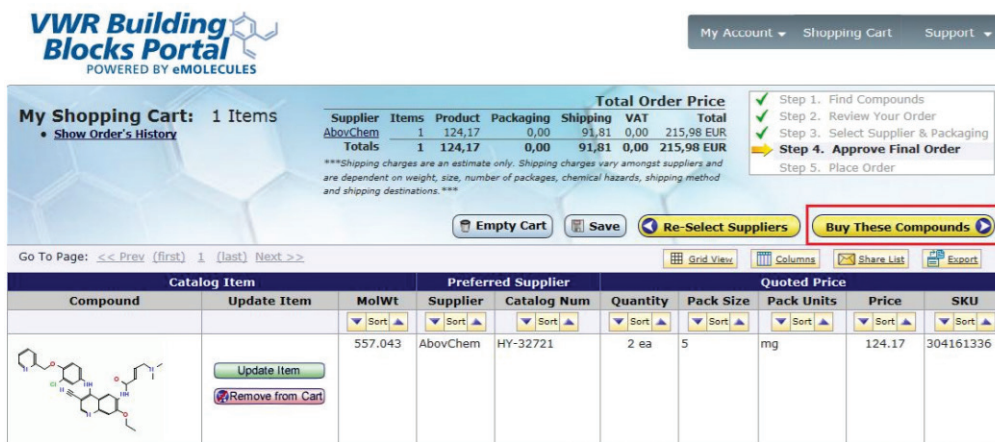

- Créez une nouvelle recherche.
- Et/ou ajoutez des produits supplémentaires avec de nouveaux composants.
- Lorsque vous avez terminé, cliquez sur « Consulter le panier ».

The screenshot shows the VWR Building Blocks Portal interface. The "View Shopping Cart" button is highlighted. The background shows a table with chemical structures and a sidebar with product tiers.

8 Étape 8

- Vérifiez votre panier et cliquez sur « Acheter ces composés ».

11 Étape 11

- Votre produit eMolecules est maintenant prêt à être commandé sur **vwr.com**.

The screenshot shows the VWR eMolecules website's Shopping Basket page. The header includes the VWR logo, navigation menus (PRODUCTS, SERVICES, PROMOTIONS, LITERATURE, EVENTS, CONTACT, ABOUT VWR, USER-OPTIONS), a search bar, and a user profile link. The main content area is titled 'Shopping Basket' and displays a table of items in the basket. The table has columns for Description, Each, Quantity, and Total. Two items are listed: '205742054-208012787' (D226215, 10 mg, Dichlorane A, Toronto Research Chemicals) and 'EMOLSHIPPING'. The total for the basket is £204.00. A sidebar on the left lists various user options like 'Order Thermo Scientific Biopolymers', 'Order From eMolecules', 'Edit your profile', 'Order Tracking', 'Quote Tracking', 'Load saved quotes', 'Contract Tracking', 'Create a special order', 'Non-catalogue order', 'Shopping List', and 'Create Best Buy Shopping List'. At the bottom, there is a note about customer prices and a 'Checkout' button.

Description	Each	Quantity	Total
205742054-208012787 D226215, 10 mg, Dichlorane A, Toronto Research Chemicals	£93.20	1	£93.20
EMOLSHIPPING	£100.80	1	£100.80
			£204.00

Customer prices for some articles may contain specific additional fees included in the price e.g dry ice delivery, alcohol tax and others.
If you have any queries please contact customer services.
You must update the shopping basket after changing cost centers and/or project numbers.
